

P1-03

Road safety performance indicators (RSPI)

Pillar 1	Organization and road safety management	
Description – Topics and indicative content	<ul style="list-style-type: none"> ⚙ Theoretical base of road safety performance indicators (RSPI), ⚙ RSI and road safety management ⚙ Classification of RSPI by road safety pillars ⚙ How to choose and measure the most important RSPI ⚙ Practical measurement of RSPI (practical field work) ⚙ Preparing database of RSPI, analyzing results and reporting RSPI, ⚙ Importance of RSPI for understanding current road safety situation ⚙ Using RSPI for defining road safety targets ⚙ Using RSPI for creating the best countermeasures 	
Duration	5 days	
Participants	Road safety commission/ council (NRSC) members and NRSC secretariats, Policy makers, National and local government officials responsible for road safety,	
Group	Minimum 15 Participants, Maximum 30 Participants	
Pool of potential international lecturers	<ul style="list-style-type: none"> ● Alan Ross, PhD ● Prof. Krsto Lipovac, PhD ● Prof. Dragan Jovanovic, PhD 	<ul style="list-style-type: none"> ● Asst. prof. Boris Antic, PhD, ● Asst. prof. Dalibor Pesic, PhD ● Dragoslav Kukic , PhD
Focus and content of course	Apart from the training and lectures on the above topics, this course will include practical work: measuring speed, traffic volume, rates of seat belt use, rates of helmet use, rates of driver under influence etc. During the course discussions will be organized about practical experiences and problems. Participants will learn how to create and how to use a database about RSPI, how to analyse road safety situation, how to define targets using RSPI and how to monitor performance using RSPI.	
Price (per participant) This assumes course is in English but with instantaneous translation available into one other language (e.g. Russian, Serbian, or other) if at least 15 participants agree the other language	Price to be agreed (5 days course). Course participants have to organize their own flights to / from Belgrade but hotel bed and breakfast accommodation (single room) at the conference hotel in Belgrade city center, lunches/coffees/ dinner during each day of the course, evening social/networking activities in Belgrade (including a river cruise and conference dinner) will all be included within the cost of the course. Participants will be eligible to access the Alumni part of the website where additional materials, mentoring, webinars and other support services will be made available.
